

## Alberta Medical Association (AMA) – WCB report update, November 2024

Thank you for your continued partnership in providing services to Alberta’s injured workers.

### Reporting change

Based on feedback received, WCB case conference terminology on all applicable physician reporting will be amended from ‘request case conference’ to ‘physician to physician call’ (see below), **effective December 2, 2024**. This amendment will add transparency around the purpose of the request.
