

PEDIATRICIANS

with community-based practices

Do you want your consult reports available on Netcare?

Sign up for Community Information Integration

- Have your high quality consults accessible to any provider a patient sees
- Improve continuity of care for patients
- Reduce duplicate referrals
- Make you and your practice visible to other providers
- No cost to participate

PEDIATRICIANS

with paneled patients

Do you have patients that you provide ongoing, regular care to?
You qualify for CPAR as well!

Central Patient Attachment Registry

- Receive notifications for your paneled patients when they're discharged from hospital or ED

Join hundreds of doctors today!
