

58% of Alberta physicians are planning to leave their practice by 2029. And they're not kidding. 65% are already taking steps.

(New survey data from September 2024)

Are you considering leaving your practice?

Have you taken steps to create a plan to leave?

- No, not considering
- Yes, in the next 2-5 years
- Yes, this year
- Yes, in the next year
