GST Registration Designation Form

Honoraria payments, with the exception of payments to board members, are considered taxable supplies for GST purposes. If your income from taxable supplies in any consecutive 12-month period is greater than \$30,000, you are required to register for GST. Where physicians provide the Alberta Medical Association (AMA) with a GST registration number, GST will be added to the established honoraria rates. Realizing GST is a complicated issue, we recommend you check with your accountant to confirm whether GST will affect you.

If you are registered for GST, please return the completed form and GST will automatically be added to your honoraria payments.
