

## Plan, Do, Study, Act

Use the table below to document your PDSA cycles.

<b>Project Title:</b>	
What question do we want to answer on this PDSA cycle?	Is this cycle used to: <input type="checkbox"/> Develop a change idea, or <input type="checkbox"/> Test a change idea, or <input type="checkbox"/> Implement a change idea
<b>Plan</b>	
Plan to answer the question 'who will do what, when and where?'	
Plan for collection of data: who, what when, where.	
Prediction of results of this cycle:	
<b>Do</b>	
Carry out the PDSA cycle, collect data and begin analysis.	
<b>Study</b>	
Compare data to predictions:	
Summarize what was learned:	
<b>Act</b>	
Do we want to: <input type="checkbox"/> Adopt this change, or <input type="checkbox"/> Adapt this change, or <input type="checkbox"/> Abandon this change.	Plan for the next cycle:
