Acceleration Payments

Physicians can **follow these steps** to receive the payments directly to their bank account:

- Log into the [AMA member dashboard](#) on the AMA website.
- Once you're logged in, go to "**CII/CPAR Payment**", and click on "**Banking info**" to select a bank account from the drop-down list.

Physicians who do not select a bank account, will receive a cheque by mail.

If they have a PC bank account, they must contact the Membership department membershipgeneral@albertadoctors.org.

EMR Updates

- **Wolf:** Confirmation of Participation forms for **new clinics** will **not** be accepted but **providers changes can** be done until December 2023.
- **CHR:** Fully conformed but still sending Encounters to test environment. [Resources](#) on our website.

AVA is officially conformed!

- Testing 'go-live' with a few clinics to start
- Site liaisons & Practice Facilitators will be notified before switched over to 'live'
- Vendor is working on core CII/CPAR training resources
 - CED data map is a priority
- Primary care providers can submit AVA CoPs now

The information collected on this form is personal information as described in the *Freedom of Information and Protection of Privacy Act (FOIP)*. This personal information is collected and used pursuant to *sections 33(c) and 39(1)(a) of the FOIP Act*, as the collection is related directly to and is necessary for administering provider participation in CII/CPAR. Alberta Health provides necessary information to the Alberta Medical Association to administer financial support under the IM/IT Physician Practice Support Program. Other Updates

Allied Health Professionals on CII/CPAR

- Onboarding has been put on hold for now
- Work still needs to be done to ensure CII/CPAR data can be accurately linked back to a unique allied health provider

Connect Care PCP Field

- CPAR PCP field is expected to populate the CC PCP field by February 2024

Other Updates

Future eNotification Changes

- There is some overlap between Connect Care Summative Notes & eNotifications from CII/CPAR
- Ongoing discussion about potentially turning off **some** CII/CPAR eNotifications to reduce duplications
 - Ex. Non-Connect Care facilities would still generate eNotifications

Conflict Report Changes

- Anticipated in February 2024
